

St. Thomas the Apostle Episcopal Church Art Exhibition Application Form

St. Thomas the Apostle Episcopal Church supports our local arts community by providing space for local artists to show their work, by bringing traveling exhibitions to our community, and by providing free access to this work to the public. St Thomas values art's ability to cultivate wonder, awe, beauty, perspective, creativity, critique, and commentary, all of which we believe to stem from the image and likeness of God. The goal of art exhibitions at St. Thomas is to make available to the community artistic experiences which will enhance its appreciation and understanding of various art forms, and to create an opportunity for our parish and larger community to engage with each other through the appreciation of the arts. Management of art exhibitions at St. Thomas is overseen by the parish Aesthetics Committee.
